

## E-Z BEND 4SH HOSE

### KURT E-Z Bend is the easiest 4SH hose to assemble & use!

Today's compact applications require a hydraulic hose with a tight bend radius and needs minimal force required. KURT E-Z Bend hose are the answer for applications in mobile hydraulics, machinery, injection molding, construction, agricultural equipment and many more.

More pliable, requiring less force to bend than other braided hose, KURT E-Z Bend hose assures easier routing and space savings.

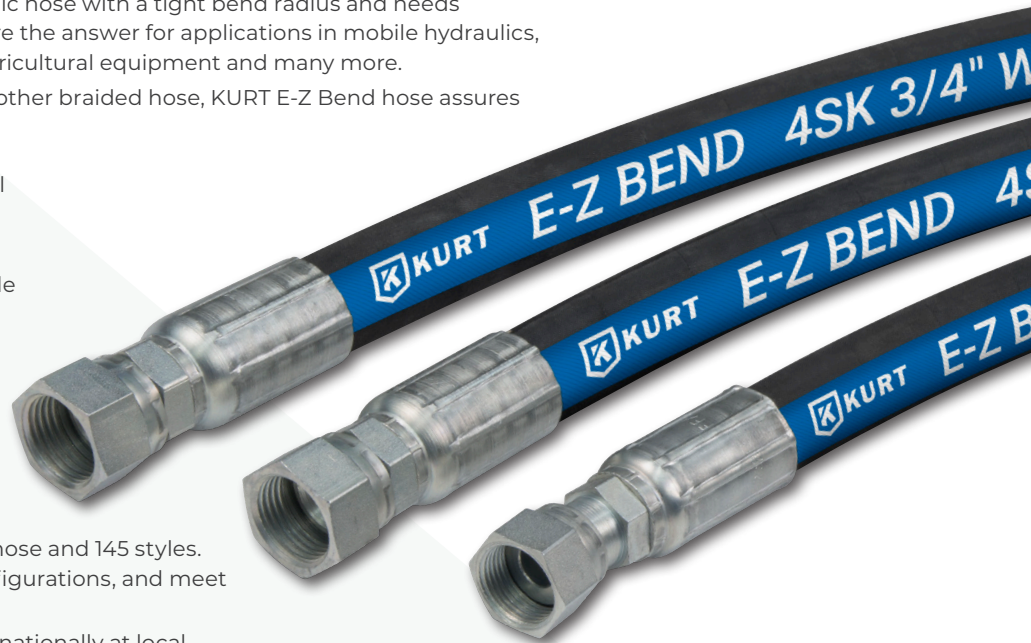

**Recommended for:** High pressure hydraulic oil lines

**Tube:** Oil resistant synthetic rubber

**Reinforcement:** Four spiral layers of high tensile steel wire braid

**Cover:** Abrasion, ozone and weather resistant synthetic rubber meets flame resistant MSHA designation

**Temperature Range:** -40°F to +212°F

Our vast inventory of over 3 million feet of hose and 145 styles. Plus, we stock over 2076 coupling end configurations, and meet SAE performance criteria.

KURT is the hydraulic alternative. Available nationally at local distributors and integrators. So give us a call today, toll free 866.257.7995 & request our FREE full line catalog.
